

We are pleased to invite you, your family, and friends to the

2009

Square Peg Polo Challenge

Sunday, 28th June

Strategy into Action- Chess at 40 mph

We have been sponsoring polo for four years now - mostly because it is fun, but also because we believe that it reflects the work that we undertake supporting clients to convert their strategies into action. As in organisations, all polo success is based on two concepts: strategy (direction, teamwork, foresight, etc) and implementation (leadership, control, speed, etc).

It is a pleasure to invite you, your family and friends to be our guests at a day of polo with Square Peg
on

Sunday, 28th June 2009

Grounds open at **noon** so bring your own picnic, there is also a bar in the club house for refreshments. Play will continue throughout the afternoon at the Sussex Polo Club.

www.sussexpolo.co.uk

We are also having a draw for a free polo lesson (you don't even need to have ridden a horse before). If you can't make the event but want to be entered in the competition, simply let us know and we will put your name in the hat.

For details and to let us know if you can make it please phone or email.
