2010

Square Peg Polo Challenge

What we will do

- We will ensure that you are treated to a great afternoon in the English countryside on the sidelines of a polo field watching a few adrenaline fuelled, passionate, full contact games of polo. As Square Peg is the sponsor for this tournament your entrance fee will be covered for the day.
- In addition to the great polo we will have a kids activity corner, a bouncy castle, the band 'Revelation', and prizes to be won during the "treasure divot" event at half time.
- Prior to the match we will invite the Square Peg polo professional to talk to our guests, outline the rules of the game, his proposed strategies and tactics for the afternoon's match, and answer any other questions we may have.
- We will have a draw for a free polo lesson to be taken at another time.

What you need to do

- Supply your own picnic and drinks, if you so choose. You may want to bring a chair or blanket so that you have a comfortable place to sit.
- At half time be prepared to tread the divots kicked up by the ponies during play.
- Dress for the weather not for the social scene! Sallie-Anne, the club manager describes the culture of the organisation as one of "new-blood not blue-blood" so the focus is on being comfortable and focusing on the sport.
- As the Pegs (including Doug Ross) will be joining us on the side lines as hosts we can use a few people to top up the team. If interested please contact Doug with your HPA handicap. doug.ross@squarepeg.com
- Dogs are welcome but must be kept on a lead at all times.

Please let us know if you are coming (phone or email). If you want to come at the last minute there will still be lots of room but we are trying to get an idea of numbers.
